THE QUICKSILVER RANGE HAS ALWAYS PERFECTLY BLENDED FUN AND STYLE WITH PRACTICALITY AND SAFETY.

The evolving direction of the Quicksilver range now builds on this strength with collaborations between highly experienced designers, engineers and naval architects from the Brunswick Group, a leading force in the boating world. A strong partnership that has led to an even greater line-up of fun boats with true integrity and depth.

Quicksilver promises a world of style and innovative use of space made possible by the best in class length to beam ratio which also increases stability. A confidence further heightened by the deep V hull design creating a form that cuts through water efficiently and comfortably. A direct result of one of the most experienced naval architects in the industry being part of the team behind Quicksilver.

So as you can see, we take fun very seriously. Welcome to style and substance.

Life is now

WELCOME TO THE WEEKEND RANGE FROM QUICKSILVER.

The moment you look at an Quicksilver, you know that it's designed for pure fun.

It's about fluid yet solid forms with soft lines and sharp, cut-through shapes creating a dynamic, sporty tension that says it's playtime. Purposeful designs still true to the essence and character of the original sketches; that spontaneous spark of inspiration. Creativity founded on experience, considered development and insight gained through solid research into the needs and desires of boat users resulting in a range of boats that offers you true freedom with the reassurance of structural and engineering integrity. Everything underpinned by safety, comfort and versatility. So you can cruise, water ski, or just soak up the sun with complete peace of mind. And with ease.

This is Quicksilver.
Built on understanding.
Shaped by you.
Created for escape.

SMART EDITION THE BEST WAY TO GET THE OPTIONS YOU NEED

People are different.
So why should every boat be the same?
We have designed our boats for optimal use,
but we know that everybody has their own preferences.
That's why we are introducing the Smart Edition.

The Smart Edition gives you what you need:
a variety of option sets that are most
frequently requested by our customers.
So you can be sure you get the options you want.

Best of all, the Smart Edition has short delivery times and is
probably already available at your local dealer right now –
you'll be on the water before you know it.

905 WEEKEND

FUNCTIONAL ELEGANCE AT ITS BEST

The 905 Weekend is our largest, most elegant model yet, built on the cornerstones of safety, comfort, style and power. Suited for 10 persons you can take it out to the sea, explore your local rivers or head out to your favourite fishing lakes. With the choice of an inboard or single and twin outboard engine configuration, you will have the power you need.

Maximum Power (HP / KW)	450/ 331	350/261

SAFETY

As a boat designed for inland and offshore fun, the 905 has a variety of features designed to keep you and your loved ones safe. Enjoy a 360° view from the cabin and a dual-engine option to gain full control over your surroundings. The extra side sliding door in the cabin, large access from cockpit to bow and walkthrough transom coupled with swim platforms with integrated swim ladder provide safe circulation around the entire boat and water access.

COMFORT

Whether you're on the move or relaxing, the 905 Weekend is ready to go. The sliding cockpit bench seat can be converted to a large dining area or to a sun lounge. Can't get enough of the sun? There is a second sun lounge on foredeck. Optional air conditioning and heating is available to maintain the desired temperature. And the boat's large galley with stove and optional microwave and fridge will help you prepare the perfect dinner out on the water.

DESIGN

We've designed the 905 Weekend with a combination of aesthetics, quality and class-leading space to provide lasting value and the look and feel of a much larger boat. The pull-out shower compartment and sea water toilet are tastefully arranged while skylights provide plenty of natural light in the private master stateroom and private aft stateroom.

VERSATILITY

Every journey is different. That's why we've made sure that you can reconfigure your set-up to match any occasion. The convertible, four-position dinette uses opposing and fold-away seating that can be changed into a U-lounge for entertaining. It also quickly changes into forward facing seating, or becomes an extra third berth when you're done for the day.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers.

755 WEEKEND

EASY LIVING

The sporty, spacious and very individual 755 Weekend is a boat that's made for being on the water and makes every voyage an adventure. With room for nine people, the spacious dining area with galley makes those moments spent with family and friends, extra special. While the private forward berth, mid berth and enclosed toilet are just part of the on-board comfort that makes the overall experience a real pleasure. With the outboard engine configuration with maximum 300hp, you will have the power you need.

SAFETY

Safety is naturally paramount on such a fine craft. Enjoy a 360° view from the cabin and the power of a Mercury engine that will keep you in full control over your surroundings. You'll find carefully positioned handrails and a large access path from cockpit to bow that provides safe circulation around the entire boat. High freeboard and a non-skid surface make it a secure on-board environment for passengers of all ages.

COMFORT

Whether you're on the move or relaxing, the 755 Weekend is ready to go. The sliding cockpit bench seat with reclining backrest can be converted to a large dining area or to a sun lounge. Can't get enough of the sun? There is a second sun lounge on foredeck. Optional air conditioning and heating is available to maintain the desired temperature. And the boat's large galley with stove and fridge will help you prepare the perfect dinner out on the water.

DESIGN

Styling, quality and class-leading space were key aspects when designing the 755 Weekend and will provide lasting value. The intelligent use of space gives you the impression you are on a much larger boat. The sea water toilet is tastefully arranged while hull side windows provide plenty of natural light in the private master stateroom and private aft stateroom.

VERSATILITY

The highly flexible nature of the 755 Weekend makes life at sea a real breeze. The convertible dinette is great for socializing and dining. When you are done for the day it can be converted to an extra third berth. The aft bench in the cockpit area has a 3 position reclining backrest so everybody can relax in a perfect position. And on top of that, the cockpit can be converted to a dining area and sun lounge.

675 WEEKEND

COMPACT AND COMPLETE

The 675 Weekend is the most compact model in the Weekend range. It's the only one that you can still transport on a trailer. Also, its size makes it easier to find a mooring space in a marina. At the same time, it does fit 8 people and 2 can spend the night.

Length Overall (m)	6,94
Beam Maximum (M)	2,50
Height - Without Canvas (m)	2,79
Dry Weight (Kg)	1642
Fuel Capacity (L)	200
CE Design Category	C
Maximum Number of People	8
Maximum Power (HP/KW)	225 / 165

SAFETY

Navigation is easy and secure thanks to the reliable Mercury engine, hydraulic steering with SmartCraft instrumentation, and compatibility with the latest navigation technologies. That way, handling the boat and keeping it balanced is a breeze, and all boat and engine performance data are always on display.

COMFORT

The Quicksilver Weekend range equals comfort. Thanks to the fully equipped galley with sink, stove and refrigerator, you can have a lovely dinner with drinks in the indoors dinette or in the cockpit. In the lower deck section of the cabin, you'll find a spacious front berth for 2 and an enclosed sea toilet with sink. Also, the optional enclosure and sun awning have you prepared for any kind of weather.

DESIGN

A lot of thought went into how to make the most of the available space. In the back, you just flip out the new sun lounge system without any extension pieces. Or you put the hinged back seat down, trading maximum cockpit space for room to tilt your engine out of the water.

VERSATILITY

Inside, the dinette with table can be converted into a forward-facing seating area or even into an additional berth for one. If you prefer to eat outside, you simply add a table to the cockpit setup with its L-lounge seating. That seating also has an optional sun lounge extension, and the same goes for the bow area.

STORAGE

Most storage space is located in the lower deck section, both below the seats of the dinette and below the double berth. That berth is also equipped with a recessed storage. If you want to keep your stuff closer at hand, there is also storage space available all around the pilot seat.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers.

SPECIFICATIONS & PACKS

ENGINE SPECIFICATIONS

Choose among our vast range of robust and powerful Mercury, Mercury Mercruiser or Mercury Diesel engines, the most appreciated of all time. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water. Moreover, you will benefit from a national and international network of dealers for service.

Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado® and FourStroke engines purchased in Europe, the Middle East, Africa and the CIS region.

The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.

* Conditions and exclusions apply.

** Provided that all extended warranty conditions are met.

QUICKSILVER'S PILOTHOUSE RANGE WELCOME TO FUN

Sure...our boats are designed for a great fishing experience. But we know that you use your boat with your family and friends as well. Our Pilothouse range has been specifically designed to give you best-in-class features for optimal fishing and leisure combined with the comfort and style you have come to expect from Quicksilver.

THE SMART EDITION THE BEST WAY TO GET THE OPTIONS YOU NEED

People are different. So why should every boat be the same? We have designed our boats for optimal use, but we know that everybody has their own preferences.

That's why we are introducing the Smart Edition. The Smart Edition gives you what you need: a variety of option sets that are most frequently requested by our customers. So you can be sure you get the options you want. They also save you an average of 10 % when compared to ordering options separately.

Best of all, the Smart Edition has short delivery times and is probably already available at your local dealer right now – you'll be on the water before you know it.

905 PILOTHOUSE

THE PERFECT MIX FOR FISHING AND CRUISING COMFORT

The days you had to choose between comfort and performance, between fishing and cruising are gone. With the 905 Pilothouse you can have both! 905 PILOTHOUSE

SAFETY

Designed for robust yet high-performance use both inshore and offshore, the 905 Pilothouse's precision engineered deep-V hull is ideal for both fishing and cruising in a variety of weather and sea conditions. The high-spec electronic pack, which includes a Dual 9" GPS for precise navigation, a stereo with 6 speakers to enjoy your favorite music, and the Mercury VesselView Link interface module which displays all the engine information and provides control capability at your fingertips. The cabin offers a 360° visibility and dual pilothouse screen wipers and screen wash keep your view clean.

COMFORT

Fishing and comfort go hand in hand with the 905 Pilothouse both inside and outside the boat. The bow section and cockpit feature ample seating capacities, while the cockpit has an exterior flood light for night-time operation. Inside, the fully featured galley includes a sink and LPG stove, while the cabin gives easy access to a full size forward berth for 2 persons as well as a spacious aft berth configured for both single and dual accommodation. The fully separated head features an enclosed toilet as well as a pull-out shower.

FISHING

The 905 Pilothouse's large, well-appointed fishing cockpit is the serious angler's dream. The fish station comes with a sink, cutting board, cold water wash and rod holders, with the Fish Pack upgrade adding a livewell, raw water washdown, extra rod holders and in-cabin safe rod storage, refrigerator drawers and additional stainless steel rod holders. The entire station slides back at the touch of the button to maximise cockpit area. There are integrated fish lockers in the cockpit floor, an optional second helm station and integrated optional sun shade means there's no need to seek refuge from the sun.

STORAGE

Despite its impressive range of features, there's one thing the 905 Pilothouse doesn't lack and that is space. The cockpit has a large central storage as well as two fish lockers for holding your catch. Inside, you'll find storage in the dining area, in the galley and a large storage space under the berth in the cabin.

805 PILOTHOUSE

WHEN FISHING IS A WAY OF LIFE

A new generation of Pilothouse models has arrived, tailored to the discerning angler. The curved hull portrays an aesthetically pleasing, sportier design. Centered around the sport you love, the 805 Pilothouse has features focused on a superior on-water experience such as an oxygenated fish locker to keep your bait fresh and your catch fresher. Reach your fishing spot faster with Mercury single and twin-engine options up to 350hp, and up to 9 people aboard. And for a premium experience, an Explorer version elevates your time on the water with more style and deluxe fishing features.

Maximum Number of People	9
Maximum Power (HP/kW)	350/257

805 PILOTHOUSE

SAFETY

Enjoy dawn-to-dusk fishing worry-free with high freeboards that keep you on the right side of the rail. Lock your deck shoes under the toe rail as you reel in The Big One. Confidently cruise to your secret spot with up to 350L fuel capacity. Stay connected both shoreside and to other vessels with Simrad RS20 VHF while you safely navigate hazards with Simrad HALO20 Radar.

COMFORT

A quick afternoon on the lake or an overnighter on the sea. The salon table and adjustable seating in the 805 Pilothouse is a great place to unwind or seek shelter. The galley has all you need to cook a quick meal or keep beverages frosty. Two people can relax in comfort inside the berth and additional privacy is afforded with an enclosed head with a flushing marine toilet. The deck is wide open for fishing, and integrated seats starboard and aft fold out of the freeboard when you need to take a load off, and you can set up a cockpit table for a bite to eat.

FISHING

The 805 Pilothouse is geared for the serious angler, and it shows with the gear on board. Keep your daily limit fresh in the massive oxygenated fish locker with pump-out, and hose down the deck with lake or sea water after a busy day catching and cleaning with an integrated washdown faucet. Keep your eyelets intact and your line untangled with dedicated rod storage in the cockpit and cabin. And with the two helm positions, you can put your boat directly over the sonar marks or navigate tight spots near other boats.

DESIGN

Easily step into – and out of – the 805 Pilothouse with a door integrated into the starboard hull. The innovative cabin design offers convenient access from the cockpit and either port or starboard sides. An optional Explorer Pack adds a unique look you'll love to its sporty design with a gorgeous turquoise blue hull wrap and black rails, fender holders, and hardtop roof rack.

SAFETY

Reel in your big catch safely with your toes tucked under the port and starboard toe rails. Enjoy a clutter-free deck with rods and gear all stowed safely in the many built-in compartments. Boat confidently in all sea conditions knowing that high freeboards will keep you on the dry side of the boat. Thanks to the on-deck helm station, precision control for smooth fishing keeps you safer than ever.

COMFORT

Whether it's a day trip with friends or an overnighter with your family, expect a comfortable journey in the 705 Pilothouse. Dine on your fresh catch at the spacious cockpit table, grab a cold beverage from the 50L refrigerator, or slip into the front berth for a much-needed rest. Both captain and port side passenger can sit comfortably as you navigate calm or rough waters on plush seats with foldable stern and aft flip seats for additional anglers. And for privacy, a sea toilet is tucked away under the bow.

FISHING

Dedicated to your fishing experience, the 705 Pilothouse makes every venture for your personal best exciting. Keep your bait in peak condition in the livewell and your catch as fresh as can be in the large fish locker with oxygenated water system. Clean your catch on the spot with the built-in cutting board that can be washed down with raw water. And never risk breaking an eyelet when you store your rods out of the way in the convenient rod holders.

STORAGE

From its spacious hull and integrated storage compartments to the tidy electric windlass system for the anchor, the 705 Pilothouse is perfect for storing and organizing all your gear. Ample in-floor storage on deck and in the cabin ensure everyone can safely move around deck. With the biggest cockpit in its category and excellent configuration options, the 705 Pilothouse is sure to make a lasting impression.

605 PILOTHOUSE

GREAT VALUE, GREAT FUN

Are you passionate about fishing? Our 605 Pilothouse provides real value. The 150 horsepower engine and larger than average cockpit make it easy to get to the fish and get those rods over the side. Make it even easier with an optional second helm station with navigation electronics. And our SMART edition now combines the perfect mix of Cockpit, Cabin and Fishing options to ensure that your craft is suited to your specific lifestyle and needs.

Maximum Power (HP/kW)	150/110

SAFETY

The 605 Pilothouse gives you such a good fishing experience you might not notice how safe it is! A hinged gate provides sea-height access to the transom. Starboard and port walkarounds provide fast accessibility to all areas of the boat. And a bow windlass option makes it easier than ever to drop anchor. The tempered glass windshield and large aft window with 360° visibility make it a breeze to see exactly where you are, and the best-dash-in-size range provides ample space for instrumentation and electronics to keep your journey on track.

COMFORT

Find all-weather protection in the cabin, with seating for two. Extra, easy-to-convert cockpit seating and dining area, offer you the possibility to relax outside. And after some intensive fishing, close the cabin curtains and grab a nap in the two-sleeper berth with fill-in cushions, and let the waves rock you to sleep.

FISHING

Expect plenty of cockpit space for you and your friends to enjoy great fishing moments. Store up to six rods below the coaming caps or in a secure and lockable floor storage area. Find the best fishing area with your optional GPS package and fish from the large cockpit. Then use the built-in lockers to store your catch until it's time to grill. The 605 Pilothouse – ideal for fishing with friends.

STORAGE

The 605 Pilothouse is all about a sense of freedom and open space on the water – no cluttered experience here. Rods and other storage items will fit easily in lockable floor areas or in the high freeboards. Your bait and fish will stay fresh in the livewell and fish locker. And with storage possibilities under the bench and storage lockers in the cockpit floor, you'll have plenty of space to move around with ease.

SPECIFICATIONS

ENGINE SPECIFICATIONS

Choose among our vast range of robust and powerful Mercury outboard engines, the most appreciated of all time. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water.

Moreover, you will benefit from a national and international network of dealers for service. Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado® and FourStroke engines

purchased in Europe, the Middle East, Africa and the CIS region.

The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.

* Conditions and exclusions apply.

** Provided that all extended warranty conditions are met.

you'll be on the water before you know it.

755 OPEN

DISCOVER THE TRUE MEANING OF FREEDOM

Sleek, powerful and very versatile, the 755 Open offers a whole new level of performance and safety, providing one of the coolest rides in the 7 metres range. Speed, excellent handling and a variety of fun and performance options make it the perfect choice for water sports and fast cruising for up to eight people, while the interior accommodation is designed to overnight two.

Length Overall (m)	7,23
Beam Maximum (m)	2,55
Height - Without Canvas (m)	2,19
Dry Weight (Kg)	1389
Fuel Capacity (L)	280
CE Design Category	C
Maximum Number of People	8
Maximum Power (HP/kW)	300/221

SAFETY

Safety and performance go hand in hand when it comes to Quicksilver's 755 Open – from the robust hull to the deep, secure cockpit and transom access area with twin swim platforms, this craft is the last word in safe and secure performance on the water. With up to 300 horsepower coming from the Mercury outboard power, the 755 Open is no slouch, but its excellent handling, superior hull design and intelligent features such as Active Trim tabs make it a joy to use for water sports and fast cruising.

DESIGN

Fluid, sleek and stylish are the watchwords when it comes to the 755 Open's exterior design, while the intelligent design features onboard, both inside and out, make this stylish craft an experience not to be missed. From the sporty dash, to the multiple seating configurations in both the cockpit and bow area, the 755 Open uses intelligent design to offer a maximum of possibilities.

COMFORT

On deck, both the bow and cockpit offer multi-configuration options for seating, dining, lounging or water sports. The cabin gets plenty of natural light coming from the cabin door, as well as excellent ventilation. The optional marine toilet slides under the cockpit when not in use, leaving space for an optional filler that extends to a sleeping area or children's play area. And to top it all, an optional cockpit galley comes complete with sink, running water and a single burner stove for maximum comfort.

VERSATILITY

Take the bow area – one minute it's a comfortable dining area with table seating, the next it can be converted with a flick of the wrist into a flat lounging area covering the whole bow area. The cockpit seating area is spacious and offers 2 seating configurations; a bench seat that can partially be removed for better transom access or fishing and an optional U-lounge configuration for additional seating capacity with handy flip-up seats.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10% when compared to ordering options separately.

SAFETY

On the water, a powerful Mercury engine guarantees safe and agile navigation. On the boat, children and adults feel at ease thanks to the high freeboard and the smooth circulation from front to back. A number of other safety features also provide easy access to the boat and to the water. For example, a pivoting backrest leads to a large platforms with an integrated swim ladder. That way, getting out of the water is as effortless as jumping in.

COMFORT

The pilot and co-pilot bucket seats with flip bolster and swivel comes with new fiberglass seat pedestals supports for an improved piloting comfort and the boat's helm boasts integrated cup holders, a storage tray and a mounting space for a 7" GPS/Chart Plotter. A pivoting backrest allows an easy and unobstructed access to the swim platforms. On the bow of the 675 Open, you'll find an integrated anchor/line locker with an optional electric windlass.

VERSATILITY

The 675 Open has been designed with your favourite outdoors activities in mind. Want to do some cruising, light fishing or water skiing? Your wish is the boat's command. The spacious bow also converts into a sun lounge and a dining area. Table for 4 and integrated cup holders included. Thanks to the pivoting pilot seats, it's also possible to have a relaxed chat with the whole group gathered in the cockpit area. A compact cabin offers shelter and is ideal for taking a nap.

STORAGE

The 675 Open offers storage underneath the bow seating. There's also dedicated storage for the ski pole, the stern navigation light and the sun lounge extensions. Personal belongings and other small items go in the storage underneath the aft seat. And of course, there is a fully integrated bow anchor and line locker.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10% when compared to ordering options separately.

605 OPEN

FUN PACKED

The 605 Open is a born to please. It takes up to 7 people out for a full day of fun. The boat was designed with comfort, ergonomics and functionality in mind, turning the deck into the best possible place to spend some time off relaxing or fishing. A Mercury engine with up to 150 hp ensures safe navigation and a list of options adds even more to the fun on the water.

Length Overall (m)	5,95
Beam Maximum (m)	2,40
Height - Without Canvas (m)	2,00
Dry Weight (Kg)	904
Fuel Capacity (L)	160
CE Design Category	C
Maximum Number of People	7
Maximum Power (HP / KW)	150 / 110

SAFETY

Safety on the boat is guaranteed by the high freeboard and the ease of circulation. Kids and seniors can walk about easily. But you probably prefer swimming to walking. A pivoting backrest provides smooth access to the large swim platforms. There, you'll also find an integrated swim ladder. So it's up to you. Dive in right away or stick to the gradual approach and go in step by step.

COMFORT

The cockpit is packed with features. The pivoting backrest allows an easy and unobstructed access to the swim platforms. Also, the 2 swivel seats allow the pilot and the co-pilot to turn towards their passengers and join in on a group conversation. The optional cockpit shower lets you freshen up after a swim. For the driver, the boat's bicolour helm is equipped with integrated cup holders, a storage tray and a mounting space for a 7" GPS/Chart Plotter.

VERSATILITY

The spacious bow seating area transforms into an extended sun lounge within seconds. After soaking up the sun, an exterior table and integrated cup holders turn that same bow into a fancy dining setting for up to 4 adults. At the back, the cockpit area is another great place for the whole crew to socialise, thanks to the pivoting pilot seats. The ski pole, to conclude, will also win over any water sports enthusiast.

STORAGE

The 605 Open's storage capacity is plentiful. On the bow, a console storage with premium finish inside holds the exterior table and the cushions. A laminated teak step in the console makes it easy to access the lower storage area as well. Other accessories, like the ski pole, the stern navigation light and the sun lounge extensions, also go in a dedicated storage space.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10 % when compared to ordering options separately.

555 OPEN

WINNER ON THE WATER

The 555 Open is an ideal boat for fishing trips and a relaxing day's out. It welcomes up to 6 people aboard and heads for the water with a powerful Mercury engine with up to 115hp. The boat's sleek design and smart use of space has something for everyone. Bring out the whole family and be assured by its safety features, features and comfort. And there's more. The Smart Edition combines the boat's most popular options in one affordable pack.

Length Overall (m)	5,47
Beam Maximum (m)	2,29
Height - Without Canvas (m)	1,83
Dry Weight (Kg)	722
Fuel Capacity (L)	110
CE Design Category	C
Maximum Number of People	6
Maximum Power (HP/KW)	115 / 84,6

SAFETY

Safety begins with agile navigation. With a single outboard Mercury engine (up to 115 hp), the 555 Open is up for that task. A slightly tinted windshield helps the driver to keep a clear view. For passengers, access to the boat and to the water is smooth and safe. They easily enter the boat from the bow and slide into the water from the large swim platforms at the stern. On the boat, intelligent design and a high freeboard enhance safe circulation.

COMFORT

On the 555 Open, you will enjoy being in the driver's seat. Both pilot and co-pilot have comfortable bucket seats with flip bolsters and swivels. The ergonomic bicolour helm boasts integrated cup holders, a storage tray and a mounting space for a 7" GPS/Chart Plotter. A footrest completes the set-up. At the back of the boat, a reclining seat optimizes the available cockpit space and makes it possible to tilt the engine entirely.

VERSATILITY

The 555 Open is versatile from front to back. The bow's sun lounge converts into a dining area with an external table in no time. And once you turn off the boat's engine, you give the pivoting pilot seat a spin to face the rest of the crowd and join in on the conversation. Unless you prefer sports, of course. In that case, mount the ski pole and have fun.

STORAGE

There's dedicated storage for the ski mast, the stern navigation light and the sun lounge side extensions. Personal belongings can be stored safely underneath the seats. On the bow, there's permanent access to a console storage, even with the extended sun lounge deployed. The storage with premium finish on the inside protects the exterior table and the cushions from bad weather conditions.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10% when compared to ordering options separately.

505 OPEN

A GREAT REASON TO WAKE UP EARLY

With the 505 Open, you'll want to be on the water all day. Whether it's for fishing, relaxing, or a bit of both. The boat looks sportive on the outside and feels spacious from within. Just how spacious? Get aboard with up to 5 people and discover its interplay of practicality, ergonomics and comfort. The 505 Open also comes in a Smart Edition that includes its most popular options.

Length Overall (m)	5,03
Beam Maximum (m)	2,12
Height - Without Canvas (m)	1,77
Dry Weight (Kg)	582
Fuel Capacity (L)	90
CE Design Category	C
Maximum Number of People	5
Maximum Power (HP/KW)	100 / 73,6

SAFETY

A single Mercury outboard engine with up to 100 hp powers the 505 Open. In other words, safe and smooth navigation is a given. The high freeboard and the ease of circulation aboard add to this secure feeling, both for adults and children alike. Easy access from the bow and an integrated double swim platforms encourage activity, going on and off the boat and in and out of the water. A slightly tinted windshield improves the driver's visibility at all times.

COMFORT

A reclining aft seat optimizes the available cockpit space while still making it possible to tilt the engine entirely. The stylish bicolour helm caters to the driver's needs, whether you're seated or standing up. It contains integrated cup holders, a storage tray and a mounting space for a 7" GPS/Chart Plotter. A footrest makes you feel even more comfortable while behind the wheel. And even with the sun lounge deployed, access to the console remains completely free.

VERSATILITY

Every section of the 505 Open serves multiple purposes. The bow seating area transforms from a basic sun lounge into an extended one within seconds. And at dinner time, you install the exterior table just as quickly. Moving on to the cockpit, the flip-flop backrest is bidirectional and can be moved forward. That way, the cockpit becomes a socialising area with driver and passengers facing each other.

STORAGE

On the bow, a console storage with premium finish inside protects the exterior table and the cushions from bad weather conditions. There is permanent access to this storage space, even with the extended sun deck deployed. Smaller items can be stored safely under the seating. The 505 Open also contains dedicated storage for the ski pole, the navigation light and the sun lounge extensions.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10 % when compared to ordering options separately.

SAFETY

The 455 Open's ultra-modern hull, deep cockpit and unsinkable design make coastal cruising a breeze and guarantee safety for both adults and children. The boat is packed with intelligent design features – such as anti-slip flooring and easy-grip railing – to ensure the safest possible ride. Easy and secure access to the boat is ensured through the convenient swim platforms that serve as step into the boat. The 455 Open can be motorized with up to 60 horse power. The responsive controls and easy-to-read instrumentation, on the other hand, turn navigation into child's play. And with an extra-large windscreen, you and your passengers can enjoy the best weather protection.

COMFORT

Despite its compact size, the interior feels spacious and is easy to move around, even when at speed. The cushions have a modern design and are made of enjoyable fabrics. Their practical shape makes it easy to store them onboard. Outside the water the 455 Open requires very little maintenance. It is as easy to perform as 1, 2, 3, thanks to the use of quality materials and fabric. Its light design and secure hooks make transportation almost as easy out of the water as in.

VERSATILITY

There are dozens of ways to enjoy the water – from cruising and bathing to fishing, recreation and transportation – and the 455 Open is equipped for each and every one of them. Its versatile interior, easy access, large bathing platforms and comfortable seating for up to 5 people make it the ideal companion to delight your passengers, whatever their fancy.

Choose among our vast range of robust and powerful Mercury outboard engines, the most appreciated of all time. You'll have the very best and most up-to-the-minute engine power to take your boat out to enjoy the delights of the water.

Moreover, you will benefit from a national and international network of dealers for service. Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado® and FourStroke engines

purchased in Europe, the Middle East, Africa and the CIS region.

The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.

* Conditions and exclusions apply.

** Provided that all extended warranty conditions are met.

875 SUNDECK

SUNDECK CHAMPION

The 875 Sundeck is raising the bar. Or should we say: extending the sun lounge? It boasts the biggest sundeck in its category. So, go ahead and invite up to 12 people for a cruise in the sun or onboard BBQ. Friends can even join for multi-day trips, because the cabin sleeps 4.

Length Overall (m)	8,06
Beam Maximum (m)	3
Height - Without Canvas (m)	2,71
Dry Weight (Kg)	2462
Fuel Capacity (L)	450
CE Design Category	B/C
Maximum Number of People	10/12
Maximum Power (HP/KW)	500 / 368

SAFETY

The boat is powered by a single engine with up to 400 hp or a twin engine with up to 500 hp. There is no better guarantee for safe travels in all kinds of water and wind conditions. On board, the asymmetrical console leaves ample space to easily reach the foredeck by the starboard side. And of course, the 875 Sundeck's offer a stable and spacious deck to move around on.

COMFORT

With the 875 Sundeck, there's enough sundeck for everybody. The cockpit seating converts into a 1.9 x 1.6 m sun lounge with direct water access while the bow area measures a record-setting 2.25 x 2.25 m sundeck with adjustable backrest. That's as big as it gets in this category of boats. Meanwhile, the cabin holds anything else you might need, like a marine toilet and shower. The cosy cabin seating and dining area with beautiful view over the water is conveniently equipped with an optional fridge and microwave.

DESIGN

The 875 Sundeck's design is a triumph of aesthetics and space efficiency. Take the helm, with its stylish glass windshield and classy dual seat. When you slide the seat forward on its rails, a galley with integral sink, cutting board and an optional stove or grill reveals itself. The cabin makes the most out of the available space with a U-shaped lounge that converts into the main berth. Design lovers will appreciate the privilege pack filled with exclusive design features.

VERSATILITY

An L-shaped cockpit lounge that converts into a large sundeck or a dining area, with a galley at hand. Not bad, right? Wait, there's more. Water sport fans put the engine's horsepower to good use by adding a ski pole to their configuration. Another option? Just flip up the foredeck chaise sun lounge and relax. The cabin area is ideal for eating in, relaxing and sleeping.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10 % when compared to ordering options separately and this edition is probably already available at your local dealer right now.

805 SUNDECK

SUN, SEA AND UNMISTAKABLE STYLE

If you're looking for the perfect combination of performance and comfort in the 7-8 meter range, then look no further than Quicksilver's 805 Sundeck. Designed with sun and relaxed cruising and water sports in mind, the 805 Sundeck lives up to its name with a versatile configuration that offers one of the largest sundeck surface in its category. But it's also big on comfort, accommodating up to nine people and comfortable sleeping for up to four adults. Not to mention performance and safety values for which Quicksilver craft are renowned.

Length Overall (m)	7,88
Beam Maximum (m)	2,55
Height - Without Canvas (m)	2,71
Dry Weight (Kg)	1820
Fuel Capacity (L)	280
CE Design Category	C
Maximum Number of People	9
Maximum Power (HP/KW)	400 / 294

SAFETY

The 805 Sundeck offers a wide range of safety features that will allow you to enjoy the water in complete security. Powerful single or twin-engine option delivers great acceleration and top speed, while Mercury technology ensures safe and precise handling. Its solid hull, high freeboards and ergonomic helm make it an extremely safe boat at any speed and in a variety of weather conditions.

COMFORT

With overnight accommodation facilities designed to cater for up to four adults in complete comfort, the 805 Sundeck offers a spacious cabin with a private bathroom with sink and optional marine toilet. For daytime use the 805 Sundeck accommodates up to nine adults in comfort and style, making it perfect for unforgettable high-performance leisure cruising, sun bathing and fun with friends and family.

DESIGN

With its sleek, fluid lines, the 805 Sundeck's stylish proportions create an unmistakable presence on the water. Both above decks and below, the 805 Sundeck offers stylish design elements such as clever extra seating around the cabin L-shape table, and a translucent cabin door and large hullside windows, providing lots of light in the cabin and a spacious and airy feeling.

VERSATILITY

The last word in versatility, the 805 Sundeck offers the largest Sundeck area in its class, with an easily deployable forward sunbathing area featuring twin chaise-lounges and a wide flat area, as well as versatile cockpit area. The cockpit can be transformed from a seating area to a dining area and a large sundeck in just minutes. The cabin is perfect to accommodate up to four people for overnighting but the main berth can also be converted into a seating area with table.

675 SUNDECK

SUN LOVER

The 675 Sundeck's updated, contemporary design wows in any water. And there's much more than meets the eye. Jump aboard to experience for yourself how space, comfort and ergonomics come together. For example, the helm now makes better use of the available surface, is easier to work with and has improved functionalities. Along with you behind the wheel, there's room for up to 8 passengers who want to soak up the sun.

Length Overall (m)	6,66
Beam Maximum (m)	2,55
Height - Without Canvas (m)	2,10
Dry Weight (Kg)	1123
Fuel Capacity (L)	200
CE Design Category	C
Maximum Number of People	8
Maximum Power (HP / KW)	225 / 165

SAFETY

The 675 Sundeck is powered by an outboard Mercury engine with up to 225 hp. On board, accessibility to the bow and to other parts of the boat is high thanks to the wide steps to the bow, intelligently placed handrails and a high freeboard. A restyled windshield with new tinted glass (30/70 blend) was developed to improve the pilot's view. Water enthusiasts will love the pivoting backrest to reach the swim platforms effortlessly.

COMFORT

The 2-meter long sundeck is raising the bar for all sundecks in this boat's category. If you can't stand the heat, stay out of the sun lounge. Which is very well possible. A sliding door leads into the cabin with plenty of seating space. At night, it's converted into a comfortable double berth. In the cockpit, the improved pilot bucket seats swivel any way you like and have been reinforced to offer more comfort.

VERSATILITY

The cockpit is the most versatile area on the 675 Sundeck. A pivoting backrest leads to the swim platform and the ski mast. After a bit of water sports action, a removable table and the pivoting pilot seats turn the cockpit into a fancy dining area for 4. Starboard and portside integrated cup holders included. The cabin configuration is multi-purposeful as well. Enjoy some relaxing time on the U-shaped seating or transform the cabin into a cosy bedroom for 2.

STORAGE

Storage space easy to find on the 675 Sundeck. A non-exhaustive list includes the space underneath the aft seating, ample room in the cabin and a storage tray in the helm console. This means there's dedicated storage for both your permanent equipment (cushions, exterior table, ski mast, navigation light, life jackets) and for other small items and personal belongings.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

605 SUNDECK

FUN IN THE SUN

The improved 605 Sundeck hits the water with a more dynamic design and upgraded functionalities. It is made for cruising, water sports and fun in the sun. So head out for a day trip with up to 7 people or surprise your partner with a romantic getaway. A Mercury engine with up to 150 hp guarantees safe navigation during the day and the boat's cabin converts into a cosy berth at night.

Length Overall (m)	5,94
Beam Maximum (m)	2,40
Height - Without Canvas (m)	2,02
Dry Weight (Kg)	970
Fuel Capacity (L)	160
CE Design Category	C
Maximum Number of People	7
Maximum Power (HP / KW)	150 / 110

SAFETY

Safety begins with a reliable engine. The 605 Sundeck is compatible with a series of single outboard Mercury engines (115-150 hp). On board, wide steps to the sun lounge area, a high freeboard and well-placed handrails provide passengers with all the support and comfort they need to move around freely. A pivoting backrest allows for an unobstructed access to the swim platforms and the integrated swim ladder.

COMFORT

The 605 Sundeck has one of the largest sundecks in its category. Even the bow anchor locker is covered with a cushion to extend the sunbathing area to the max. The helm of the boat has been completely redesigned for a more modern, stylish look and improved use of space for instrumentation. At the same time, the pilot and co-pilot bucket seats with flip bolsters, swivels have been fortified for enhanced driver comfort.

VERSATILITY

Flexibility is a given on the new 605 Sundeck, both on and below the deck. The cockpit converts into a dining area for up to 4 adults, thanks to the removable table, starboard and portside integrated cup holders and pivoting pilot seats. Cabin space can be used as a U-shaped seating area or as a comfortable 2-person sleeping berth, depending on the cushion configuration. An optional ski mast adds water sports to the list of activities the boat has in store.

STORAGE

Storage capacity on the boat is plentiful. For starters, the bow anchor and line locker are fully integrated. The exterior table and filler cushions fit into a dedicated storage area and the same goes for the stern navigation light and water sports equipment. Supplementary storage space for small items and personal belongings is located both underneath the aft seat and below the berth in the cabin.

805 CRUISER

LUXURY PERFORMANCE DAY-CRUISER

Designed with attention to detail, the 805 Cruiser is our flagship model for day cruising. Refinement, power, safety and comfort are the key values you'll appreciate in this smart new addition to our line-up. Powered by up to 400hp of engine power and accommodating up to nine for day cruising and refined sport and leisure use with family and friends, the 805 Cruiser is the ultimate in smooth and stylish performance on the water.

Length Overall (m)	7,88
Beam Maximum (m)	2,55
Height - Without Canvas (m)	2,26
Dry Weight (Kg)	1813
Fuel Capacity (L)	280
CE Design Category	C
Maximum Number of People	9
Maximum Power (HP/kW)	400 / 294

SAFETY

The 805 offers a wide range of safety features that will allow you to enjoy the water in complete security. With a hull designed for safe yet high-performance use and a high level of navigation console accessibility and visibility, it's an extremely safe craft at any speed and in a variety of weather conditions. The easy stern access and twin swim platforms include a robust ladder allowing for equally easy access directly from the water.

DESIGN

With its sleek, fluid lines, the 805 Cruiser's perfect proportions create a powerful presence on the water. The high-spec exterior fittings and intelligent design elements give the boat a unique style, complemented by high-end finishing such as LED courtesy lights and cockpit table. The interiors are fitted out in elegance and style, with eye for detail in the upholstery finishing, cabinets and wooden trim giving an overall sense of refinement.

COMFORT

With overnight accommodation facilities designed to cater for up to four adults, the 805 Cruiser offers a spacious and airy double forward cabin, twin mid-berths, a practical yet private marine toilet with its own window and sink and a robust and practical galley with a refrigerator, fresh water system and stove. For daytime use the 805 Cruiser accommodates up to nine adults in comfort and style.

VERSATILITY

The last word in versatility, the 805 Cruiser offers multiple configurations for fun and leisure use with family and friends, whether it's for skiing, water sports or coastal cruising. Three different cockpit configurations from comfortable cockpit seating to dining area and to spacious sun lounge. The cockpit dining table seats five people. Not to mention an optional full size foredeck sun lounge.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

755 CRUISER

ENJOY THE VIEW

Break away for a day trip or a weekend on the water. The 755 Cruiser's deep cockpit and full windscreens keep you and your passengers safe and dry during the ride. Inside, the cabin's wide windows offer the best views you'll ever find in a 7-meter boat. Customisation is key. The cockpit area offers 3 configurations, several packs allow for significant upgrades of the boat's accessories and there's a whole range of Mercury engines available.

Length Overall (m)	6,99
Beam Maximum (m)	2,56
Height - Without Canvas (m)	2,03
Dry Weight (Kg)	1440
Fuel Capacity (L)	280
CE Design Category	C
Maximum Number of People	8
Maximum Power (HP/KW)	300 / 221

SAFETY

The 755 Cruiser is powered by a single outboard Mercury engine with up to 300 hp, ensuring secure and agile navigation. Accessibility features include a wide cockpit entry, smartly positioned handrails all around, easy walking access from bow to stern and swim platforms to slide into the water. With its deep cockpit, the boat is also suitable to take children along for a safe ride. A full windscreen with windscreen wiper adds to the weather protection.

DESIGN

Its distinctive external lines give the boat an uncluttered, smooth and sporty look. Eye catchers are the bicolour helm, the sleek windshield and the new electric blue hull colour. Smart design created room for integrated armrests with cup holders, a cockpit galley for outside cooking and invisible canvas storage. The cabin makes the most of the available space and light with a roomy berth, large windows and integrated storages.

COMFORT

Passengers are well taken care of wherever they are on the 755 Cruiser. The large cockpit lets you enjoy being outside and on the water as much as possible. It includes a fully galley with sink, LPG stove and refrigerator. Large swim platforms provide easy access to the water and wide steps do the same for cabin entry. The cabin boasts room for 2 to spend the night and see the sun rise through its wide side windows. Plus, there's an optional full enclosed marine toilet.

VERSATILITY

How do you like your cockpit area? Its adjustable reclining bench offers 3 configurations: up, chaise lounge and extra-large sun lounge. These let you choose from a multitude of activities: talk, dine, relax, read, sunbathe, you name it! The co-pilot seat has a dual function as well. Sit down in the forward-facing seat or use it to expand the seating area and sun lounge. Want even more space? The foredeck transforms into a sun lounge, too.

675 CRUISER

SLEEK, SPORTY AND SPACIOUS

The 675 Cruiser combines a sleek design with a sporty set-up and smart use of space. That makes it hard to tell who will have the most fun: you as the captain or the friends and family you bring along? There's room for up to 7 people who love to cruise and soak up the sun.

Length Overall (m)	6,40
Beam Maximum (m)	2,46
Height - Without Canvas (m)	1,83
Dry Weight (Kg)	1234
Fuel Capacity (L)	230
CE Design Category	C
Maximum Number of People	7
Maximum Power (HP / KW)	225 / 165

SAFETY

A clearly defined step-out area tells all passengers where to enter and exit the boat. This allows you to get in the boat in a fast and secure manner. Once on board, there's easy walking access from bow to stern. And if you want to go for a swim, the large swim platform is the way to go. An ergonomic helm station and a deep cockpit make sure captain, crew and kids are safe at all times.

COMFORT

Large portside steps give easy access to the foredeck. This unique deck layout frees up space in the centre of the boat. And that is where you'll find a semi-transparent door. Slide it open to enter the U-shaped cabin that converts into a comfortable double berth. Ample light and ventilation are provided through the translucent cabin door, an opening portlight and a deck hatch. Back outside, the helm can be equipped with SmartCraft instrumentation and, a high tech 9-inch GPS.

VERSATILITY

Most of the action on the 675 Cruiser happens in the cockpit area. The double, bi-directional co-pilot seat makes it possible remain face forward when cruising or extend the social area to spend time together. Over dinner, for example. And if you add the starboard flip seat to your boat configuration, even more people gather around the cockpit table. The cockpit can be turned into a sun lounge within minutes. And, if you put the aft seat down that sun lounge becomes even bigger.

STORAGE

Storage space is integrated below the swim platform and underneath the cockpit seats. All of that space is available to store away personal belongings. The fenders, and even the optional canvas all have their own dedicated storage space. Of course, you'll find even more storage room in the cabin.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are the most frequently requested by our customers. In addition to that you save an average of 10% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

605 CRUISER

CHOOSE TO CRUISE

The 605 Cruiser has gotten longer and wider compared to its predecessor, but it's still our most compact cruiser. The redesign gives you a bigger, more streamlined boat. Also interesting to know: your increased cruising comfort is coupled with longer cruising, thanks to the biggest fuel tank in this category.

Length Overall (m)	6
Beam Maximum (m)	2,34
Height - Without Canvas (m)	1,75
Dry Weight (Kg)	1074
Fuel Capacity (L)	160
CE Design Category	C
Maximum Number of People	6
Maximum Power (HP / KW)	150 / 110

SAFETY

As you know, a bigger boat is often a safer boat. You enter and leave the 605 Cruiser via a clearly defined step-in/step-out area. The large swim platform with motor well step ensures easy access into the water and back onto the deck. Also, if you bring your kids and they can't sit still (no surprises there), that's completely fine. The high foredeck railing and the deep cockpit allow them to move around in all safety during family cruises.

COMFORT

As the boat's captain, you'll be happy to see that your swivel seat is now mounted on a polyester pedestal base, for improved comfort. Your co-pilot, in a similar seat, looks straight at cleverly placed steps to the foredeck. This unique design allows for a cabin door in the middle of the cockpit. The semi-transparent door, an opening portlight and a deck hatch let light and air into the cabin. Inside, a double berth fits 2 people who love spending the night afloat.

VERSATILITY

Up to 6 people find at least as many ways to spend time on the 605 Cruiser. The foredeck is convertible into a large sun lounge with a central backrest cushion. At the back, blue skies ask for the optional second sun lounge to be deployed. In case of grey clouds, however, a bimini is deployed just as fast. The other option? Find shelter in the cabin, it doubles as a U-shaped seating area and as a berth for 2.

STORAGE

Your personal belongings stay dry in storage spaces underneath the swim platform and below the aft seating. A third storage space is integrated under the seating area of the cabin. Of course, the fenders and optional features such as an enclosure or a dining table all have their own spaces just as well.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10% when compared to ordering options separately and this edition is probably already available at your local dealer right now.

555 CABIN

ANYTHING GOES

The 555 Cabin comes prepared. What for? Basically anything. First and foremost, it contains everything you need for a good time. Choose a spot on the bow or cockpit sun lounge, grab a drink from the fridge or enjoy your favourite tunes on the stereo system that can be equipped with 4 speakers.

Length Overall (m)	5,50
Beam Maximum (m)	2,29
Height - Without Canvas (m)	1,71
Dry Weight (Kg)	865
Fuel Capacity (L)	110
Design Category	C

SAFETY

Navigation becomes a breeze with the standard hydraulic steering system, an integrated footrest and room for a 7 inch GPS screen. On the deck, you and your passengers walk around in all safety. You'll find wide port steps for easy foredeck access, an anti-skid deck trail and helpful hand rails. Do you feel in for a swim? Use the integrated swim platform or get the extended one to slide in gently.

COMFORT

The helm of the 555 Cabin was designed to improve functionality and optimise space. As a pilot, everything you need is at your fingertips. There's a sport steering wheel, integrated armrest and footrests, and with the Active Trim, you can count of effortless and optimal engine performance. Whenever you feel like taking a break, you just turn off the engine and swivel your chair around to face your crew. Indoors, cabin space has been optimised and the interior headliner gives a touch of cosiness. A translucent sliding door and side foredeck skylights add to a luminous and comfortable stay.

VERSATILITY

The 555 Cabin is a year-round all-rounder. It has nice places to relax all around. Pivoting seats and a mountable table turn the cockpit into a dining area right away. But first, you might want to deploy the cockpit sun lounge. Or go to the bow sun deck, of course. As soon as night falls or clouds gather, the cabin awaits you. Either sit down around the cosy cabin table or convert the seating into a spacious double berth of 2 meters.

STORAGE

In the cockpit area, storage space is conveniently tucked away below the aft bench seating. Supplementary storage is integrated in the helm and in the cabin. Combined, the 555 Cabin is equipped with plenty of space to keep personal belongings, sun pads and other items dry and safe.

SMART EDITION

Be sure to get what you need: the Smart Edition is based on the options that are most frequently requested by our customers. In addition to that you save an average of 10 % when compared to ordering options separately and this edition is probably already available at your local dealer right now.

505 CABIN

THE BEST ALL-ROUND CABIN CRUISER IN THE COMPACT CLASS

The 505 Cabin offers one of the best all-round boating and navigation experiences in its class, integrating a stylish new design and packed with improved new features that guarantee a new level of safety and pleasure for a day on the water.

Length Overall (m)	5,02
Beam Maximum (m)	2,12
Height - Without Canvas (m)	1,64
Dry Weight (Kg)	613
Fuel Capacity (L)	50
Design Category	C
Maximum Number of People	5
Maximum Power (HP/kW)	100/73,6

SAFETY

Step aboard and leave with peace of mind, knowing that your safety is guaranteed by the robust hull and intelligent design features that make the 505 Cabin a reassuring choice on the water. Improved transom access, anti-slip bow and foredeck with guardrail protection mean total security in moving around the boat. The outboard power of up to 100 horsepower combined with responsive, reliable handling make the 505 Cabin a dream on the water, offering all-round safety, comfort and fun for friends and family.

DESIGN

Fans of better boat design will love the new look – and feel – of the 505 Cabin. From its stylish lines to the intelligent design features throughout, the 505 Cabin packs a design punch that sends it to first in its class. The 505 Cabin's profile is stylish and sporty, while the interior cabin experience is enhanced by plenty of natural light and space for portable toilet.

COMFORT

With overnight accommodation facilities designed to cater up to two adults in, the 505 Cabin offers a cabin that maximises space and comfort with longer berths and space for a toilet that stows away when not in use. The ample lighting comes from two well-placed port and starboard portlights and from the semi-transparent sliding cabin. The well-protected cockpit offers seating for up to 5 people and converts to a picnic area. The optional bimini awning and cockpit sun lounge top the comfort list, providing sunlounging as well as shade and protection.

VERSATILITY

Whether you're looking a day boat for family and friends or an overnighter that sleeps two, the 505 Cabin offers all the versatility you need to get the most out of your boating. The cockpit, with its bench seating, combines practicality and comfort. The movable middle-seat serves as transom entry. The cockpit table makes just the spot for a picnic, while an optional second pilot bucket seat extends the full cockpit seating capacity up to five. Inside the cabin, an optional central filler creates an extra-wide berth, while storage is integrated throughout the boat; in both cockpit and the cabin.

Moreover, you will benefit from a national and international network of dealers for service. Additionally, a five-year warranty programme is applicable for all eligible Mercury outboard engines*. The programme will be offered to owners of new Mercury outboard engines**. The warranty applies to Mercury Verado® and FourStroke engines purchased in Europe, the Middle East, Africa and the CIS region.

The five years of comprehensive factory-backed coverage includes labour for failures caused by defects in material or workmanship. What's more, the new warranty is transferable if the engine is sold within the five-year period. The warranty applies to recreational use only.

- * Conditions and exclusions apply.
- ** Provided that all extended warranty conditions are met.
